# FIREBUSTERS

## LIFE SAFETY PROGRAM

Dear Teachers and Parents:

The Central Oregon Fire Prevention Co-Op and our sponsors would like to invite you to participate in our annual FIREBUSTERS fire and life safety program! If you would like additional fire and life safety information or extra FIREBUSTERS worksheets please visit our website at [centraloregonfireservices.org](http://centraloregonfireservices.org).

**TEACHERS:** Please distribute the worksheet to your students prior to the first segment which will be available October 8. If you have time to review the video segments and questions with your class it is a great opportunity to educate on fire and life safety in the classroom!

**PARENTS:** This will be a great opportunity to learn many important fire and life safety lessons together as a family. We encourage you to guide your student in answering the questions on this worksheet that will coincide with the video segments shared each day, October 8-12. Segments can be viewed daily on the KTVZ news at 6:30AM or PM and will also be available online at:

[ktvz.com](http://ktvz.com) and [centraloregonfireservices.org](http://centraloregonfireservices.org) OR Facebook- Central Oregon Fire Prevention Co-Op

**PRIZES:** Worksheets need to be returned to the students teacher no later than Friday October 19.
