LIFE SAFETY PROGRAM

October is National Fire Prevention Month!

The Central Oregon Fire Prevention Cooperative and our partners will be offering five safety video segments to educate our Central Oregon children on Fire and Life Safety. The safety videos will be posted online at [www.centraloregonfireservices.org](http://www.centraloregonfireservices.org) and [www.ktvz.com](http://www.ktvz.com) throughout the month of October. The segments can also be watched daily on the KTVZ newscast October 5-9 at 6:30am or 6:30pm (on October 5 the evening newscast will be at 5pm).

This year the worksheets are available to print at home or there is an online worksheet.

Both options are available at [www.centraloregonfireservices.org](http://www.centraloregonfireservices.org)

#### HELPING DRIVERS- Monday, October 5th

1. Which of the following can a child do to help a driver stay focused in the car?
  - a. Cheer them up by sharing a funny Tik Tok video with the driver
  - b. Argue with their brother loudly and throw toys
  - c. Ride quietly without distracting the driver
2. How can a cell phone be legally used in the car by a driver?
  - a. At a stop light
  - b. Quickly, when no police are present
  - c. Use a hands-free device, or when the vehicle is pulled over off the road or parked
3. How can a kid help the driver stay safe with electronics in the car?
  - a. Hide all electronic devices from the driver
  - b. Remind the driver to put their phone away when driving
  - c. Nothing. A child can do nothing to help the driver

#### GUN SAFETY- Tuesday, October 6th

4. What should you do if you find a gun?
  - a. Show your friends
  - b. Leave it and tell a grownup
  - c. Unload it

Thank You to our 2020 Central Oregon partners who have made Firebusters possible!
