

2019

It's time to get safe with your students!
The week of October 7-11 find the answers to the questions on this worksheet by visiting one of the websites listed below or watch KTVZ news at 6:30AM or PM to view the 2019 fire and life safety videos!

FIREBUSTERS

LIFE SAFETY PROGRAM

The Central Oregon Fire Prevention Co-Op and our sponsors would like to invite you to participate in our annual FIREBUSTERS fire and life safety program!

Beginning October 7, five videos corresponding with each question on this worksheet will be available online at centraloregonfireservices.org and will air daily on KTVZ and be posted on the Central Oregon Fire Prevention Co-Op Facebook page.

If you have time to review the video segments and questions with your class it is a great opportunity to educate on fire and life safety in the classroom! Worksheets can also be sent home with students to complete with their family.

All worksheets need to be collected by October 17 and at the front office of your school the morning of October 18 to be entered to win individual, class and/or school prizes!

If you would like additional fire and life safety information or extra FIREBUSTERS worksheets please visit our website at centraloregonfireservices.org.
